

KSS 1500mm Dishwasher Inlet Bench (Right)

Description

Kitchen Stainless Steel Inlet Sink Benches feature a 90mm angled splashback with a bevelled edge and double sinks. Made to the highest specifications using 304 grade stainless steel and 2mm galvanised carbon steel reinforcement. KSS sinks are ideal for heavy duty use. All stainless steel sinks are 450x450x300 deep with 90mm waste hole and come with a satin polished stainless steel pot rack underneath as standard. Benches are also fitted with a 32mm tap hole. All KSS products have stainless steel tops, stainless steel shelves and stainless steel legs. This inlet bench is compatible with most commercial dishwashers and is designed to fit on the right hand side of the dishwasher.
