

KSS 2400mm Bench w/ Shelf Underneath and Splashback

KSS

KITCHEN STAINLESS STEEL

Description

Choose from a huge range of full stainless steel benching. All stainless steel benches come standard with an undershelf for storage. 304 grade full stainless steel top with 2mm galvanised carbon steel reinforcement and 38mm satin polished round stainless steel legs give Kitchen Stainless Steel benches the durability and rigidity under high stress. Available in a variety of sizes from 900mm to 2400mm. These benches feature splashbacks and ideally make for benches that can be rested against walls
