

KSS 2400mm Bench w/ Shelf Underneath

Description

Choose from a huge range of full stainless steel benching. All stainless steel benches come standard with an undershelf for storage. 304 grade full stainless steel top with 2mm galvanised carbon steel reinforcement and 38mm satin polished round stainless steel legs give Kitchen Stainless Steel benches the durability and rigidity under high stress. Available in a variety of sizes from 900mm to 2400mm. These benches do not have splashbacks and make for great island benches that can be accessed from all four sides.
