

KSS 2400mm Double Sink w/ splashback and Adjustable Pot Rack

Description

Kitchen Stainless Steel Double Sink Benches feature a 90mm angled splashback with a bevelled edge and a centrally located sink. Made to the highest specifications using 304 grade stainless steel and 2mm galvanised carbon steel reinforcement. KSS sinks are ideal for heavy duty use. All stainless steel sinks are 450x450x300 deep with 90mm waste hole and come with a satin polished stainless steel pot rack underneath as standard. Benches are also fitted with a 32mm tap hole. All KSS products have stainless steel tops, stainless steel shelves and stainless steel legs. Available in a variety of size from 1200mm to 2400mm, you can be sure to find a size that is suitable for your kitchen.
