

Royston 3 Module Bain Marie – 3 Elements

ROYSTON®

Keep food warm at food safe temperatures while making it look appealing to customers with the Royston 3 Module Bain Marie.

Description

The Royston 3 Module Bain Marie is designed to keep food warm and at food-safe temperatures while using minimal power

- Fits 6 x 1/2 GN food pans
- All Royston Bain Maries fit standard GN 1/2 pans and are double skinned for added insulation
- Additionally, the BM-2/3/4/5/6 range of bain maries feature individual heating elements that means that when there is an element failure, other pan slots are still functional and heating up to specification
