

Maestro Mix 30 Piece Bun Divider/Rounder

MAESTRO MIX

Easy divide and round dough ready to shape and bake. This model can process 30 pieces of dough ranging from 30gms to 100 gms per piece.

Description

The Maestro Mix BD30 Bun Divider/Rounder forms an essential part of any bakery. Saving you time and labour costs, the BD30 can divide and round consistent and even dough. With precise and easy to operate controls, dough can be divided into 30 pieces between 30-100 grams each. The stainless steel dividing knives and 3 Teflon plates (included) ensure durability and a long lasting product. This product is fully compliant to Australian standards.
