

Mitchel Refrigeration 4 Door Undercounter Refrigerator

The Mitchel Refrigeration UB- series of undercounter refrigerators and freezers are the perfect solution for bars, restaurants and cafés that are limited on space and need close access to their refrigerated or frozen products.

Description

The Mitchel Refrigeration UB- series of undercounter refrigerators and freezers are the perfect solution for bars, restaurants and cafés that are limited on space and need close access to their refrigerated or frozen products. The UB645-R refrigerator has a spacious 645 litre capacity in a two (self-closing) door design. The unit is large enough to accommodate 1/1 GN pans and has a powerful ventilated cooling system. The refrigerator comes standard with castors so pulling the unit out for cleaning is a breeze. The digital temperature controls and display make it easier to monitor the temperature that the fridge is running at.
