

## Oxford Series 8 Burner Cooktop w/ Gas Oven (on right hand side)

The 8BBT 8 Burner Cooktop with an electric convection oven offers great versatility as a standalone cooktop in a mid-sized kitchen. Expand your menu further and create new dishes that will wow your customers! The convection oven features a computerised control panel that makes it easier than ever to operate. The oven's large cooking chamber also fits standard GN pans and trays. Easy controls and a sturdy design make this unit a workhorse in the kitchen. The simple design also means that cleaning this unit is a breeze! If you prefer a gas oven, consider the 8BBT-OV which features a gas oven under the cooktop.
