Description

At HWD, our aim is to make deliveries as simple and hassle-free for you as possible. For most products, we can provide a freight estimate before you purchase your products. Simply enter your postcode on the product page or at checkout and select any relevant options to instantly get a delivery estimate. We promise to try our best to stick to the estimate given to you but given the nature of products we stock, please note that there may occasionally be some discrepancies between the estimates provided and the actual freight charge. In such cases, the customer will be liable for these differences. For our complete delivery and returns policy, please click [here](#).
