

Oxford Series 2 Burner Cooktop with Pilot Light

2 burner cooktop with 58 (NG) – 52(LPG) Mj/hr total output. The unit is a great option as a standalone cooktop for a smaller establishment or a supplementary cooktop for a kitchen that uses a different cooking style such as a wok burner.

Description

The Oxford Series BBT range gas cooktops offer flexibility and precision in the modern commercial kitchen. With a variety of sizes and options available, the BBT range can be suited for any scale and use. Built to stringent specifications using high grade stainless steel, the BBT range offers durability and quality. Powerful 27Mj/Hr burners come fitted with a flame failure device as standard. All BBT products can be configured for use with Natural Gas or Propane. The 2BBTP Cooktop offers great versatility as a standalone cooktop or a supplementary cooktop for a kitchen where primary cooking is done on a different cooktop such as a wok burner. Easy controls and a sturdy design make this unit a workhorse in the kitchen. The simple design also means that cleaning this unit is a breeze!
