

Royston Popcorn Maker PC-T

ROYSTON[®]

Serve delicious popcorn to customers. This piece of equipment allows you to make a timeless and classic snack that anyone can enjoy!

Description

Serve delicious popcorn in this stylish popcorn maker. Ideal for small theatres, auditoriums, performance venues and even for your home theatre! The toughened glass allows safe yet full visibility of the popcorn inside. The infrared warming light and the efficient heating system makes popcorn in minutes and keeps them warm. The crumb tray is easily removable for easy cleaning.
