

Royston Single Basket Fryer – 10 amp

ROYSTON®

Quickly fry and serve delicious fried items on order for your customers. Featuring excellent recovery time, the Royston Single Basket Fryer is perfect for kitchens that do not have many fried items on their menu or are limited for space.

Description

The Royston Single Basket Fryer offers great value for establishments that are limited on space but want to utilise the full benefits from a [commercial deep fryer](#)

- Create a menu of delicious golden fried food that will appeal to all customers
- Cook on order thanks to the quick recovery time of the fryer
- Fry more food for faster and for cheaper
- To utilise the full potential of the fryer, consider buying the 15 amp version (provided a 15 amp outlet is available at the premises)
