Description

The Mitchel Refrigeration S series Sandwich/Salad Bars have a high powered ventilated cooling system to keep ingredients fresh and at a consistent temperature. The Single Door Salad/Sandwich bar offers a spacious 270 litres of refrigeration volume and has fully adjustable shelves that can accommodate GN trays. The side mounted motor offers plenty of ventilation in limited spaces and the LED display with digital controls make the units extremely easy to operate. All Mitchel Refrigeration units use R134a Refrigerant compliant under Australian laws and regulations.
